Stacy is five years old and enjoys anything girly. Stacy likes to put on lip gloss and pretend she is putting on makeup. She loves Frozen and really, really wants to see the movie "Boss Baby." She likes to play house and would love a baby doll with a stroller and a crib.

Erik (18 months) and Joe (2 years) are very fun-loving little boys with lots of energy. They both enjoy anything related to Paw Patrol and Ninja Turtles. Joe loves playing with big trucks, but is not a fan of anything that makes a lot of noise. Erik is just a little guy who Mom thinks would like to have a little riding car to play outside (or inside) on.

The father is currently in jail and Mom is doing everything on her own. The mother does have support from a friend, but she makes sure that she does everything she needs to do for the children and does not fully rely on the system to help. Mom is very independent, but does not have extra money this year for Christmas gifts. She appreciates the help to give her children a very happy Christmas.
