

Dean

Ms. Dean is a single mother of three children – Jean, 5; Charlie 2; and Jerry, eight-weeks-old. All three of the children’s fathers are not involved. Mom suffers from PTSD and depression. Mom currently is living with family members until she is approved for low-income housing. She would love to give her children a nice Christmas but, unfortunately, all of her money is going to trying to save to move into housing when it becomes available.
