

Duncan

This family has had a tough year. The opioid epidemic has hit them hard and Mom is having a hard time getting back on her feet. Mom is a hardworking single mom trying to give her three children a wonderful Christmas, but she could use some help. Nate is a 17-year-old who loves to drive around and listen to music. To make his Christmas great, gift cards for GetGo and iTunes would be appreciated. Hailey is a fun-loving 6-year-old girl who loves to play with dolls, Shopkins, and Little Pet Shop. She also loves to play soccer and gets her clothes grass-stained all the time. Her sizes in shirts and pants are both small. Little Danny is a 5-month-old boy who is drooling all over his clothes because he is teething! He wears 6-12 month old clothes and loves the feeling of soft things. He also loves to play with touch-and-feel books when Mommy is reading to him. Danny isn't picky when it comes to toys, but he loves anything that plays music, and loves to dance when he hears them!
