

Morgan

This blended family includes the mother's three sons (13-year-old Zain, 10-year-old Joey, and 7-year-old Jake) and her Paramour's two daughters (14-year-old Natasha and 6-year-old Abigail). The mother was in a relationship where significant domestic abuse occurred and, as a result of attempting to keep her children safe, securing steady employment has been difficult. She wants for all of the children to have a Christmas.
